PUBLIC SERVICE ANNOUNCEMENT

SNOW & ICE UPDATE

Date: Tuesday, March 06, 2012 Time: 7:30 AM

Saskatoon recently experienced:

- A major snowfall
- a major snow storm expected to continue throughout the day

This is affecting driving conditions

Crews are:

- Applying de-icing material(sand/salt)
- Plowing the roadways
- Plowing snow on sidewalks and pathways
- Outside contractors are assisting with the work
- Concentrating on P1 streets and will continue until the snow stops and all P1's are cleared.

Crews are now working on:

- Priority 1 streets:** freeway, access to fire halls, hospitals and ambulance sites, major roads such as 8th Street and 22nd Street

Messages for the public:

- Road maintenance crews are working as quickly as possible to provide safe winter driving conditions on our roadways.
- The snow plows and graders are large and slow moving. Please be careful when passing them.
- Motorists are reminded to please slow down and allow extra time to get to your destination.
